Mr. Rees,

On behalf of Workforce Solutions for the Heart of Texas, I would like to congratulate AHP on the honor of being named this year's **Workforce Solutions Employer of the Year**.

The Employer of the Year award salutes a private-sector employer or employer consortium that focuses on excellence, operational results, and the benefits gained by employers, workers, and the local community. Additionally, the award recognizes the employer's involvement with and successful use of Texas Workforce System services and the support of the system's goal of ensuring that both employers and workers have the resources and skills Texas needs to remain competitive in the 21st century

We will be recognizing you at this year's **Annual Awards of Excellence Banquet** scheduled for **January 21, 2010**. We encourage you to be present at the awards banquet to accept your award. Your attendance to the banquet is free and you are allowed two additional passes (enclosed) to invite your co-workers and guests. Any additional seats beyond the three reserved for you will be charged a general admission of \$20 (lunch included).
